Community Review: Rules for Health Care Workers
(Immunization and Testing Requirements)

HEALTH is proposing to change the measles, mumps, and rubella requirements; add varicella and tetanus, diphtheria, and pertussis vaccines; and require the *offering* of seasonal influenza vaccine. To obtain a copy of the proposed regulations and related FAQs, please access HEALTH's website at:

www.health.ri.gov/hsr/regulations/index.php or the Secretary of State's website: **www.sec.state.ri.us/rules/** Hope you can join us.

Thank you!
